Golden Anniversary Fried Calamari Herb and buttermilk marinated calamari served with lemony marinara dipping sauce	Apollo \$11
Out of This World Fish Tacos Two flour tortillas, grilled fish, house made cilantro slaw and sour cream on the side	Apollo \$11
Kennedy Space Center Crab Nachos Redz chips, cheese, scallion, tomato, cilantro, jalapeno and avocado	Apollo \$11
One Small Step Spaghetti and Meatballs	Apollo \$11
Space Race Mesquite Salmon Dijon and brown sugar rubbed salmon served with seasonal vegetable	\$19.69
Dark Side of the Moon Chocolate Cake	\$7.20

Raspberry topping

Constellation Crème Brûlée

\$7.20

Fresh berries

Coffee Buzz

\$7.20

Espresso, cream and kahlúa

“We love having fun with new ideas and incorporating them into our offerings,” said executive sous chef, Roelof de Groot. “As a Chef, being creative and applying that creativity to the menu is extremely rewarding. As an American fare-inspired restaurant we felt what better way to recognize one of the greatest moments in American history. We hope our guests appreciate the efforts as much as we love executing them.”
